Aircraft noise propagation, exposure & reduction : assessment , prediciton and control

The "right of the first occupant", although more real than the "right of the strongest", does not become a true right until the institution of property Thus we see how the "right of the first occupant", weak as it is in the state of nature, compels in political society the respect of all men. While, scientifically, their failure is ascribed to too many variables - chaos theory plays a prominent role in the entire story - the moral conclusion is that history can never really be changed, but that changes have to be effected in the present.
