Thank you, and feel free. I liked this book a lot - it's funny, it's interesting, it's well-written, and it's not just about a life, it's truly about the "life and times" of Laura Pedersen, I'm going to keep my eye out for her other books - now that I know her, I'd like to know them. The simplest of these models take individual interactions to be governed by deterministic rules, and take a society or market to be an aggregate of these interacting individuals.
