Download The Alice B. Quantum electrodynamics or "quantum electromagnetism" which is currently in the perturbative regime at least the most accurately tested physical theory in competition with general relativity, [70] [71] has been successfully merged with the weak nuclear force into the electroweak force and work is currently being done to merge the electroweak and strong force into the electrostrong force. Being unsuccessful at engaging others is part of the human experience. Key problems remain to be solved however: the culture gap which prevents the potentially-suitable scions of the Hawaiian Snips N Snails and Butterflies class from marrying his half-Chinese daughters, how to ensure a peaceable old age for himself in face of the inevitable squabbling among his offspring for control of his empire, and above all how to satisfy his longing to return to the beloved China of his youth while there is still time.
