Ex libris a timbro. The charismatics will say that they have these things because they were, "open," to the Spirit and received the second blessing. Or, to hit the case still more nearly, he felt the same compunction with a bawd, when some poor innocent, whom she hath ensnared into her hands, falls into fits at the first proposal of what is called seeing company. This study of Aristophanes provides the basis for a total re-assessment not only of Aristophanes as a poet and playwright, but also of our perception of politics and the role of the theatre in classical Athens.
