I certainly enjoyed reading it, you will be a great author. It also has some flaws: there were occasional sentences or paragraphs I had to reread a few times to understand their meaning and the actions of one character towards the end of the book didn't really seem consistent with what we already knew about .

## **Shakalaka Baby**

The characters were really developed well and the story was great. This book is not yet featured on Listopia.

## **Non Non Biyori Vol. 10**

And like most of the best memoirs, reading it feels a lot like sitting with an old friend while they tell you Where They Come From. You start with a breakdown of a relationship s in "Going Out and In" a couple who have changed and want different things but not knowing how to move on.

## **An Appeal To Mothers**

Patterns can be broken, and the plot can continue.
