well Herbs and Apples it tastes great. We wanted a person not

only to build a website but to also teach me how to do it, as

you do have to know how to maintain it. To make a text version

we used ABBYY Finereader 8 to produce a first draft of the

text, and Athelstane software to find misreads and improve the

text. The book therefore offers a new approach to the question

of what prevents or promotes organisational rethinking and a

new way of thinking within international organisations.
